Jay Gillian, Mayor of Ocean City
City Hall
861 Asbury Ave.
Ocean City, NJ 08226

Dear Mayor Gillian:

We understand you are unavailable for the Mayoral debate sponsored by the Ocean City Sentinel and Fairness In Taxes on April 7th. We originally selected that date with the goal of giving the public the benefit of maximum exposure to the candidates' performance. We understand you had prior plans to be on vacation that week.

As it currently stands you will not be debating your opponent at any time which will have the benefit of much public exposure. The Democratic/Republican Club "debate" is scheduled for May 7th which is too late to even be covered by the local newspapers. The program sponsored by the Ocean City Community Association is not even a debate. It is a forum where you will be asked questions with no opportunity to challenge your opponent.

Mr. Price has expressed his willingness to adjust his schedule to attend a debate sponsored by the Ocean City Sentinel and Fairness In Taxes on any date at any time.

Is there any date during the month of April when you would be willing to face this challenge? If the answer is yes, please so advise us. If the answer is no, you need not reply at all.

Very truly yours,

Michael Hinchman
President, Fairness In Taxes
