Saturday, Nov. 14th @10:30am-Senior Center in the Community Center, 17th & Simpson Avenue

SIXTH ANNUAL! Snore at the Shore©

An exciting newer event, Snore at the Shore©, will challenge one’s ability to imitate quiet snoring in keeping with the sleepy, laid back, personality of the Quiet Festival.

Participants will have the option of lying or sitting in a comfortable chair. We want to create an authentic atmosphere for this sound breaking event.

Sponsored by NAP™ (the National Association of tired People). Entry is free and ribbons will be awarded. NAP™ officials are expecting a tremendous response and would appreciate a warning in advance that you will be there. Call 609-399-6111 ext. 9292 or email msoifer@hotmail.com or if this is too much trouble just show up ready to snore quietly.

Make and Fly Quiet Paper Airplanes

Join pilot Ken Thorpe and his talented crew for some fun making and flying of paper airplanes.

Sunday, Nov. 15th:

You’re on your own...FLY A KITE OR....

Take a reflective walk, inspect the clouds, trees, horizon, stroll the boardwalk, later on enjoy the moon and stars, give your doggie a tummy rub, recite the **Quiet Festival Lament** to anyone who will listen:

*I do not hear your song/
I do not hear your words/
I never watch the moon/
Or listen to the birds/
I’m lost in all the noise/
That saturates my space/
I’m weary of the clatter/
Find me a quiet place...*
