

TEUDY'S ROAD TO RECOVERY
FUNDRAISER TO BENEFIT
TEUDY & HALLEY LUKENS-MARTINEZ FAMILY
Sponsored by Green Tech Energy Services

This past July, one of Green Techs electricians suffered a traumatic swimming injury leaving him a quadriplegic just two weeks before their second baby boy was born. Although Teudy's improving, he still has a long road ahead of him. The costs of medical treatment, equipment and every day life for a family of 4 continues to be a challenge.

Please join us for a great evening to help support Teudy and his young family. If you cannot attend, please consider making a donation.
